About Silver Predator Corp.

Silver Predator’s corporate mandate is to advance the previously operated Nevada-based Taylor project towards production. The Taylor project hosts a current resource estimate, open to expansion, and has potential to be a near-term producing asset. Current ongoing exploration in the surrounding district has identified the potential for discovery of additional silver and gold deposits. With quality assets in a world-class jurisdiction, and an exploration team with a history of success in Nevada, Silver Predator is positioned to advance new and existing discoveries towards production.
