Silver Predator Corp. Corrects Disclosure Regarding New CEO Option Grant

Toronto, Ontario, March 7, 2017: Silver Predator Corp. (TSX.V: SPD) (the “Company” or “Silver Predator”) Further to the Company’s news release of February 23, 2017, the 500,000 options issued to Dr. Rickard are exercisable at a price of \$0.06 per share commencing March 1, 2017, have a two year term, and are not subject to any vesting provisions. The February 23, 2017 release incorrectly stated that Dr. Rickard’s 500,000 options had been granted as at the date of the release, were subject to a two year vesting provision, and were exercisable at a price of \$0.075.

Silver Predator Corp.

The Company holds the Taylor silver-gold project in Nevada. The Taylor project hosts a current measured and indicated silver resource estimate of 16.8 million ounces of silver at an average grade of 1.89 ounces per ton and an inferred resource of 3.9 million silver ounces at 2.30 ounces per ton ⁽¹⁾, is open to expansion, and is located in a district that has identified the potential for discovery of additional silver and gold deposits. The company also holds additional early stage exploration properties in Nevada and the Silver Valley of Idaho.

Mr. Michael Maslowski, CPG, a Qualified Person as defined by National Instrument 43-101 and a consultant for the Company, has reviewed, verified and approved disclosure of the technical information contained in this news release
