Silver Predator Corp. Announces Sale of Treasure Hill Property

Vancouver, British Columbia, December 21, 2021: Silver Predator Corp. (TSXV: SPD) (the “Company” or “Silver Predator”) is pleased to announce that it has closed a sale of its Treasure Hill property in White Pine County, NV to Treasure Hill Resources LLC for the cash sum of US\$145,000.00, which equals the approximate book value of the property on the Company’s most recent financial statement for Q3 2021. The Company intends to use the funds from this sale, along with funds raised in a current private placement (see NR 21-05), in support of its planned drilling program on its Copper King project near Mullan, ID.

“We are delighted with the sale of the Treasure Hill property, for which the Company had no foreseeable exploration plans.” said John T. (“Terry”) Rickard, CEO of Silver Predator Corp. “The funds from the sale of this asset will be much better deployed to advance our drilling program at Copper King in 2022, which we view as having strong near-term potential for the Company.”
