MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This information circular (the “**Circular**”) is provided in connection with the solicitation of proxies by the Management of Silver Predator Corp. (the “**Company**”). The Form of Proxy which accompanies this Circular (the “**Proxy**”) is for use at the annual general meeting of the shareholders of the Company to be held on Thursday, September 21, 2023 (the “**Meeting**”), at the time and place set forth in the accompanying notice of Meeting (the “**Notice of Meeting**”). The Company will bear the cost of this solicitation. The solicitation will be made by mail but may also be made by telephone.

All references to “\$” in this Circular are in Canadian dollars, unless stated otherwise.

APPOINTMENT AND REVOCATION OF PROXY

The persons named in the Proxy are directors and/or officers of the Company. **A registered shareholder who wishes to appoint some other person to serve as their representative at the Meeting may do so by striking out the printed names and inserting the desired person’s name in the blank space provided.** The completed Proxy should be delivered to Olympia Trust Company (“**Olympia**”) by 10:00 a.m. (Pacific Time) on Tuesday, September 19, 2023, or before 48 hours (excluding Saturdays, Sundays, and holidays) before any adjournment of the Meeting at which the Proxy is to be used.

The Proxy may be revoked by:

- (a) signing a new Proxy with a later date and delivering it at the time and place noted above;
- (b) signing and dating a written notice of revocation and delivering it to Olympia, or by transmitting a revocation by telephonic or electronic means, to Olympia, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the Proxy is to be used, or delivering a written notice of revocation and delivering it to the Chairman of the Meeting on the day of the Meeting or adjournment of it; or
- (c) attending the Meeting or any adjournment of the Meeting and registering with the Scrutineer as a shareholder present in person.

Provisions Relating to Voting of Proxies

The common shares (the “**Common Shares**”) represented by Proxy in the form provided to shareholders will be voted or withheld from voting by the designated holder in accordance with the direction of the registered shareholder appointing him or her. If there is no direction by the registered shareholder, those Common Shares will be voted for all proposals set forth in the Proxy and for the election of directors

and the appointment of the auditors as set forth in this Circular. The Proxy gives the person named therein the discretion to vote as such person sees fit on any amendments or variations to matters identified in the Notice of Meeting, or any other matters that may properly come before the Meeting. At the time of printing of this Circular, the management of the Company (“**Management**”) knows of no other matters that may come before the Meeting other than those referred to in the Notice of Meeting.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold Common Shares in their own name. Shareholders who hold their Common Shares through their brokers, intermediaries, trustees, or other persons, or who otherwise do not hold their Common Shares in their own name (referred to herein as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders who appear on the records maintained by the Company’s registrar and transfer agent as registered holders of Common Shares will be recognized and acted on at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then those Common Shares will, in all likelihood, not be registered in the shareholder’s name. Such Common Shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co., the registration name for The Depository Trust Company, which acts as nominee for many United States brokerage firms. Common Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted or withheld at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Common Shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients that should be carefully followed by Beneficial Shareholders to ensure that their Common Shares are voted at the Meeting. The form of instrument of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form (“**VIF**”), mails those forms to Beneficial Shareholders, and asks Beneficial Shareholders to return the VIFs to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a**

Broadridge VIF cannot use that form to vote Common Shares directly at the Meeting. The VIFs must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

The Notice of Meeting, Circular, Proxy, and VIF, as applicable, are being provided to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities that they own (“**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities that they own (“**NOBOs**”). Subject to the provisions of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers may request and obtain a list of their NOBOs from intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name, address, and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the Common Shares on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF. As a result, if you are a Beneficial Shareholder, you can expect to receive a scannable VIF from Olympia. Please complete and return that VIF to Olympia in the envelope provided or by facsimile. In addition, telephone voting and internet voting instructions can be found on the VIF. Olympia will tabulate the results of the VIFs received from the Company’s NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs they receive.

The Company’s OBOs can expect to be contacted by Broadridge or their brokers or their broker’s agents as set out above. The Company does not intend to pay for intermediaries to deliver the Notice of Meeting, Circular, and VIF to OBOs, and accordingly, if the OBO’s intermediary does not assume the costs of delivery of those documents in the event that the OBO wishes to receive them, the OBO may not receive the documentation.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. NI 54-101 allows a Beneficial Shareholder who is a NOBO to submit to the Company or an applicable intermediary any document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder. If such a request is received, the Company or an intermediary, as applicable, must arrange, without expenses to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Circular, provided that the Company or the intermediary receives such written instructions from the NOBO at least one business day prior to the

time by which proxies are to be submitted at the Meeting, with the result that such a written request must be received by 9:00 a.m. (Pacific Time) on or before the day that is at least three business days prior to the Meeting. **A Beneficial Shareholder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the registered shareholder, should enter their own name in the blank space on the VIF or such other document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

Unless specifically stated otherwise, all references to shareholders in the Notice of Meeting, Circular, and the accompanying Proxy are to registered shareholders of the Company as set forth on the list of registered shareholders of the Company as maintained by the registrar and transfer agent of the Company, Olympia.

Financial Statements

The audited financial statements of the Company for the year ended December 31, 2022, together with the auditor's report on those financial statements and management's discussion and analysis, will be presented to the shareholders at the Meeting.

Oversight and Description of Director and NEO Compensation

The Company’s compensation policies and programs are designed to be competitive with similar mining and exploration companies and to recognize and reward executive performance consistent with the success of the Company’s business. Those policies and programs are intended to attract and retain capable and experienced people while complying with regulatory requirements. The compensation committee’s (the “**Compensation Committee**”) role and philosophy is to ensure that the Company’s compensation goals and objectives, as applied to the actual compensation paid to the Company’s CEO and other executive officers, are aligned with the Company’s overall business objectives and with shareholder interests.

In addition to industry comparables, the Compensation Committee considers a variety of factors when determining both compensation policies and programs and individual compensation levels. Those factors include the long-range interests of the Company and its shareholders, the implications of the risks associated with the Company’s compensation policies and practices in light of the financial performance of the Company, the overall financial and operating performance of the Company, and the Compensation Committee’s assessment of each executive’s individual performance and contribution toward meeting corporate objectives. Since last year’s Meeting, neither the Board nor the Compensation Committee of the Company has proceeded to a formal evaluation of the implications of the risks associated with the Company’s compensation policies and practices. Risk management is a consideration of the Board when implementing its compensation program and the Board does not believe that the Company’s

compensation program results in unnecessary or inappropriate risk-taking including risks that are likely to have a material adverse affect on the Company.

The current members of the Compensation Committee are James Rickards, Scott D. McLeod, and Nathan A. Tewalt.

Mr. Rickards is the Editor of Strategic Intelligence a financial newsletter. He is the bestselling author of *Sold Out* (2022), *The New Great Depression* (2021), *Aftermath* (2019), *The Road to Ruin* (2016), *The New Case for Gold* (2016), *The Death of Money* (2014), and *Currency Wars* (2011) from Penguin Random House. Mr. Rickards is one of the world's leading authorities on the role of gold as a monetary asset. His views on gold as an investment have been sought by BlackRock, the world's largest asset manager, and Bridgewater Associates, the world's largest hedge fund, among other leading investment firms. He is an investment advisor, lawyer, inventor, and economist, and has held senior positions at Citibank, Long-Term Capital Management, and Caxton Associates. In 1998, he was the principal negotiator of the rescue of LTCM sponsored by the Federal Reserve. His clients include institutional investors and government directorates. He is an op-ed contributor to the Financial Times, Evening Standard, The Telegraph, New York Times, and Washington Post, and has been interviewed by BBC, CNN, NPR, C-SPAN, CNBC, Bloomberg, Fox, and The Wall Street Journal. Mr. Rickards is a guest lecturer in globalization and finance at The Johns Hopkins University, Georgetown University, Trinity College Dublin, The Kellogg School at Northwestern, the U.S. Army.

Mr. McLeod has over 20 years of experience in finance and business management. He has held executive positions at Merrill Lynch in the CICG Technology finance department and worked on decimalization of the stock market prices, creation of the Euro, and the Y2K technology financial issues. In 2005 Mr. McLeod co-founded Nevada McLeod Group (NMG) a privately held investment firm in Reno, Nevada. As president of NMG he oversees trading, accounting, research, and client retention. Over the past 20 years, Mr. McLeod has also been a guest lecturer to the Finance 430 investment class at the University of Nevada - Reno. Mr. McLeod holds a B.S. in Business with an emphasis in Finance from the Marshall School of Business at the University of Southern California.

Mr. Tewalt has been in executive management positions for various public resource companies since 1996, during which time he has overseen or been involved in determining pay scales and stock option plans for consultants and employees in the U.S., Canada, and Colombia.

The function of the Compensation Committee is to assist the Board in fulfilling its responsibilities relating to the compensation practices of the executive officers of the Company. The Compensation Committee has been empowered to review the compensation levels of the executive officers of the Company and to report thereon to the Board; to review the strategic objectives of the stock option and other stock-based compensation plans of the Company and to set stock based compensation; and to consider any other matters which, in the Compensation Committee's judgment, should be taken into account in reaching the recommendation to the Board concerning the compensation levels of the Company's executive officers. The Board has adopted a charter for the Compensation Committee, which is attached as Schedule "A" to this Circular.

Report on Executive Compensation

This report on executive compensation has been authorized by the Compensation Committee. The Board assumes responsibility for reviewing and monitoring the long-range compensation strategy for the senior management of the Company although the Compensation Committee guides it in that role. The Board determines the type and amount of compensation for the CEO. The Board also reviews the compensation of the Company's senior executives.

Philosophy and Objectives

The compensation program for the senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining talented, qualified, and effective executives;
- (b) motivating the short and long-term performance of those executives; and
- (c) better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company has employed a combination of base salary and equity participation through its stock option plan.

Elements of the Compensation Program

The significant elements of compensation awarded to the NEOs (as defined above) are a cash salary and stock options. The Company does not presently have a long-term incentive plan for its NEOs. There is no policy or target regarding allocation between cash and noncash elements of the Company's compensation program. The Compensation Committee annually reviews the total compensation package of each of the Company's executives on an individual basis, against the backdrop of the compensation goals and objectives described above and make recommendations to the Board concerning the individual components of their compensation.

Cash Salary

As a general rule, the Company seeks to offer its NEOs a reasonable compensation package that is in line with the Company's shareholder value, operating results, and liquidity considerations, consideration of compensation packages offered by other companies similar in size and complexity, and as a means of rewarding the NEOs for efforts expended on behalf of the Company.

Equity Participation

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is partially accomplished through the Company's stock option plan. Stock options are granted to senior executives taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses, and the Company's goals. Options are generally granted to senior executives

and vest on terms recommended by the Compensation Committee, subject to consideration and adoption by the Board.

Use of Financial Instruments

The Company does not have a policy that would prohibit a NEO or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. However, Management is not aware of any NEO or director purchasing such an instrument.

Perquisites and Other Personal Benefits

The Company's NEOs are not generally entitled to significant perquisites or other personal benefits that are not offered to the Company's other employees.

Stock Options

The Company currently has in effect a Stock Option Plan the purpose of which is to advance the interests of the Company and its shareholders by (a) ensuring that the interests of directors, officers, employees, and consultants are aligned with the success of the Company; (b) encouraging stock ownership by such persons; and (c) providing compensation opportunities to attract, retain, and motivate such persons. The Stock Option Plan provides Optionee's with the opportunity, through the exercise of options, to acquire an ownership interest in the Company. The Stock Option Plan is attached as Schedule "E" to this Circular.

The Stock Option Plan is administered by the Compensation Committee, that determines, from time to time the eligibility of persons to participate in the Stock Option Plan, when recommending options to be granted, the number of Common Shares subject to each option, the exercise price of each option, the expiration date of each option and the vesting period for each option, in each case in accordance with applicable securities laws and stock exchange requirements.

It is not the Company's practice to grant stock options to existing executive officers on an annual basis, but grants of stock options will be considered as the circumstances of the Company and the contributions of the individual warrant. Previous grants of options are taken into account when considering new grants as part of the Company's plan to achieve its objective of retaining quality personnel.

Compensation Governance

The Board has established a Compensation Committee comprised of three directors. Nathan A. Tewalt, Chair, Scott. D. McLeod, and James Rickards currently serve on the Compensation Committee. The function of the Compensation Committee is to review, on an annual basis, the compensation paid to the Company's executive officers and to the directors, and to make recommendations to the Board on the Company's compensation policies. In addition, the Compensation Committee reviews the Company's succession plans for the CEO and makes recommendations with respect to severance paid to executives. The Board's Compensation Committee is responsible for approving stock options grants and

administering the Stock Option Plan. The process adopted with respect to the review of compensation for the Company’s directors and senior officers is set out under the heading “**Compensation Discussion and Analysis**” above. The Company has not retained a compensation consultant or advisor at any time since the Company’s most recently completed financial year.

The Compensation Committee members’ collective experience in leadership roles, their extensive knowledge of the mining and exploration industry and their extensive experience in operations, financial matters, and corporate strategy provide the Compensation Committee with the collective skills, knowledge, and experience necessary to effectively carry out its mandate.

Pension disclosure

The Company does not have a pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement.

Composition of Audit Committee and Independence

The Company’s current Audit Committee consists of James Rickards, Scott D. McLeod, and Nathan A. Tewalt.

All of the Company’s current Audit Committee members are “independent” within the meaning of NI 52-110. NI 52-110 provides that an individual is “financially literate” if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements. Those Guidelines are not prescriptive but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company’s approach to corporate governance is set out below.

Board of Directors

Management is nominating five (5) individuals to the Board, four of whom are current directors of the Company. Management is actively pursuing qualified individuals to serve as members of the board of directors.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. The “material relationship” is defined as a relationship which could, in the view of the Company’s Board, reasonably interfere with the exercise of a director’s independent judgement. The following table outlines the Company’s independent and non-independent directors within the meaning of NI 52-110.

<u>Name of Director</u>	<u>Independent/Non-Independent</u>

The Board exercises its independent supervision over management by its policies that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans; and (b) all material transactions of the Company are subject to prior approval of the Board. The Board is to meet not less than three times during each year and will endeavour to hold at least one meeting in each financial quarter. The Code also requires each director, officer, employee, and consultant of the Company to fully disclose in writing his or her interest in respect of any transaction or agreement to be entered into by the Company. Once such an interest has been disclosed, the chairman of the Audit Committee or Board will determine what course of action should be taken.

In particular, the Corporate Governance and Nominating Committee assesses, among other factors, industry experience, functional expertise, financial literacy and expertise, board experience and diversity of background, and considers potential conflicts arising in connection with potential candidates for the Board. After those considerations and conducting appropriate due diligence, the Corporate Governance and Nominating Committee makes recommendations to the Board with respect to

candidates for directors. The Board annually evaluates the size of the Board and persons as nominees for the position of director of the Company. The Board reviews succession planning on a regular basis.

The Board has adopted a formal charter for the Corporate Governance and Nominating Committee which is attached hereto as Schedule “D.”

SILVER PREDATOR CORP.

Schedule “C” Code of Conduct

CODE OF BUSINESS CONDUCT AND ETHICS

Silver Predator Corp. (the “**Company**”) is committed to the highest standards of legal and ethical business conduct. This Code of Business Conduct and Ethics (the “**Code**”) summarizes the legal, ethical, and regulatory standards that we must follow and is a reminder to our directors, officers, employees, consultants, and non-employees (as hereinafter defined) of the seriousness of that commitment.

Directors, officers, employees, and consultants of the Company are hereinafter referred collectively as our “**Representatives**”. Non-employees include any contractor, subcontractor, or other agent of the Company.

Compliance with this Code and high standards of business conduct is mandatory for every Representative and non-employee of the Company.

INTRODUCTION

Our business is becoming increasingly complex in terms of the geographies in which we function and the laws with which we must comply. To help our Representatives understand what is expected of them and to carry out their responsibilities, we have created this Code. The Chairman of our Audit Committee and our President will have the primary responsibility of overseeing adherence to the Code.

This Code is not intended to be a comprehensive guide to all of our policies or to all your responsibilities under law or regulation. It provides general parameters to help you resolve the ethical and legal issues you encounter in conducting our business. Think of this Code as a guideline, or a minimum requirement, that must always be followed. If you have any questions about anything in the Code or appropriate actions in light of the Code, you may contact the Chairman of the Audit Committee or the President.

We expect each of our Representatives to read and become familiar with the ethical standards described in this Code and to affirm your agreement to adhere to those standards by signing the Compliance Certificate that appears at the end of this Code. Violations of the law, our corporate policies, or this Code may lead to disciplinary action, including dismissal.

We Insist on Honest and Ethical Conduct by All Our Representatives

We have built our business based on quality Representatives who adhere to the very highest standards of honesty, ethics, and fairness in our dealings with all of our business contacts. We place the highest value on the integrity of our Representatives and demand that level of integrity in all our dealings. We

insist on not only ethical dealings with others, but on the ethical handling of actual or apparent conflicts of interest between personal and professional relationships.

1. Fair Dealing

Our Representatives are required to deal honestly and fairly with our business partners, suppliers, competitors, and other third parties.

In our dealings with business partners, suppliers, competitors, and other third parties, the Company:

- prohibits bribes, kickbacks, or any other form of improper payment, direct or indirect, to any representative of government, labour union, supplier, or other business partner in order to obtain a contract, some other commercial benefit or government action;
- prohibits our Representatives from accepting any bribe, kickback, or improper payment from anyone;
- prohibits gifts or favours of more than nominal value to or from our customers or suppliers;
- limits marketing and client entertainment expenditures to those that are necessary, prudent, job-related, and consistent with our policies;
- requires clear and precise communication in our contracts, our advertising, our literature, and our other public statements and seek to eliminate misstatement of fact or misleading impressions;
- protects all proprietary data our customers or suppliers provide to us as reflected in our agreements with them; and
- prohibits our Representatives from otherwise taking unfair advantage of our customers or suppliers, or other third parties, through manipulation, concealment, abuse of privileged information or any other unfair-dealing practice.

2. Conflicts of Interest; Corporate Opportunities

Our Representatives should not be involved in any activity that creates or gives the appearance of a conflict of interest between their personal interests and the interests of the Company. In particular, without the specific permission of our Chairman of the Audit Committee or our Board of Directors (including contracts approved by our Board of Directors), no Representative, or a member of his or her family shall, unless disclosed to us in writing:

- be a consultant to, or a director, officer, or employee of, or otherwise operate an outside business that
 - is in competition with our current or potential business goals and objectives,
 - supplies products or services to us, or
 - has any financial interest, including significant stock ownership, in any entity with which we do business that might create or give the appearance of a conflict of interest;
- seek or accept any personal loan or services from any entity with which we do business, except from financial institutions or service providers offering similar loans or services to third parties under similar terms in the ordinary course of their respective businesses;
- be a consultant to, or a director, officer, or employee of, or otherwise operate an outside business if the demands of the outside business would interfere with the Representative's responsibilities to us, (if in doubt, consult your supervisor, the Chairman of the Audit Committee, or the President);
- accept any personal loan or guarantee of obligations from us, except to the extent such arrangements are legally permissible; or
- conduct business on behalf of us with immediate family members, which include spouses, children, parents, siblings, and persons sharing the same home whether or not legal relatives.

Our Representatives must immediately notify the Chairman of the Audit Committee or the President of the existence of any actual or potential conflict of interest. The circumstances will be reviewed for a decision on whether a conflict of interest is present, and if so, what course of action is to be taken.

3. Confidentiality and Corporate Assets

Our Representatives are entrusted with our confidential information and with the confidential information of our business partners. That information may include (1) technical or scientific information about current and future projects or endeavours, (2) business or marketing plans or projections, (3) earnings and other internal financial data, (4) personnel information, (5) lists of current, past, and potential business partners, and (6) other non-public information that, if disclosed, might be of use to our competitors, or harmful to our business partners. That information is our property, or the property of our business partners, and in many cases was

developed at great expense. Unless authorized by written approval or required by applicable law, our Representatives shall not:

- discuss confidential information with or in the presence of any unauthorized persons, including family members and friends;
- use confidential information for illegitimate business purposes or for personal gain;
- disclose confidential information to unauthorized third parties; and
- use our property or resources for any personal benefit or the personal benefit of anyone else. Our property includes, without limitation, our internet, email, and voicemail services, which should be used only for business related activities, and which may be monitored by us at any time without notice.

We Provide Full, Fair, Accurate, Timely, and Understandable Disclosure

We are committed to providing our shareholders and investors with full, fair, accurate, timely, and understandable disclosure in the reports that we file with the securities regulatory authorities. To that end, our Representatives shall:

- not make false or misleading entries in our books and records for any reason;
- not condone any undisclosed or unrecorded bank accounts or assets established for any purpose;
- comply with generally accepted accounting principles at all times;
- notify the Chairman of the Audit Committee, President, or our legal counsel by telephone or in writing at the addresses as set out on the last page of this policy if you become aware of an unreported transaction;
- maintain a system of internal accounting controls that will provide reasonable assurances to management that all transactions are properly recorded;
- maintain books and records that accurately and fairly reflect our transactions;
- prohibit the establishment of any undisclosed or unrecorded funds or assets;

- maintain a system of internal controls that will provide reasonable assurances to our management that material information about us is made known to management, particularly during the periods in which our periodic reports are being prepared;
- present information in a clear and orderly manner and avoid the use of unnecessary legal and financial language in our periodic reports; and
- not communicate to the public any non-public information except through, or as approved by the Company's Chief Executive Officer, President, or other authorized spokesperson.

We Comply With all Laws, Rules, and Regulations

We will comply with all laws and governmental regulations that are applicable to our activities and expect all our Representatives to obey the law. Specifically, we are committed to:

- maintaining a safe and healthy work environment;
- promoting a workplace that is free from discrimination or harassment based on race, color, religion, sex, age, national origin, disability, or other factors that are unrelated to our business interests;
- supporting fair competition and laws prohibiting restraints of trade and other unfair trade practices;
- conducting our activities in full compliance with all applicable environmental laws;
- keeping the political activities of our Representatives separate from our business;
- prohibiting any illegal payments, gifts, or gratuities to any government officials or political party;
- prohibiting the unauthorized use, reproduction, or distribution of any third party's trade secrets, copyrighted information, or confidential information;
- complying with all applicable provincial, state, and federal securities laws or any provisions of applicable provincial, state, or federal law relating to fraud against stockholders; and
- not tolerating any behaviour that could constitute securities fraud, mail fraud, bank fraud, or wire fraud.

Our Representatives are prohibited from trading our securities while in possession of material, non-public information about the Company and our referred to our Corporate Disclosure and Insider Trading Policy.

REPORTING AND EFFECT OF VIOLATIONS

Compliance with the Code is, first and foremost, the individual responsibility of every Representative.

We attempt to foster a work environment in which ethical issues and concerns may be raised and discussed with supervisors or with others without the fear of retribution. It is our responsibility to provide a system of reporting and access when you wish to report a suspected violation, or to seek counseling, and the normal chain of command cannot, for whatever reason, be used.

Administration

Our Board of Directors and Audit Committee have established the standards of business conduct contained in this Code and oversee compliance with this Code. They have also charged the Chairman of the Audit Committee and the President to ensure adherence to the Code. While serving in that capacity, the Chairman of the Audit Committee, and the President report directly to the Board of Directors.

A copy of this Code will be included in the orientation of new Representatives and provided to existing Representatives on an on-going basis. To ensure familiarity with the Code, our Representatives will be asked to read the Code and sign a Compliance Certificate.

Reporting Violations and Questions

Our Representatives must report, in person or in writing, any known or suspected violations of laws, governmental regulations or the Code, to either the Chairman of the Audit Committee or the President. Additionally, our Representatives may contact the Chairman of the Audit Committee or President with a question or concern about the Code or a business practice. Any questions or violation reports will be addressed immediately and seriously and can be made anonymously. If you feel uncomfortable reporting suspected violations to those individuals, you may report matters to our outside counsel. The addresses and telephone numbers of those individuals are listed in Schedule "A" below.

It is not sufficient to report a suspected violation of the Code to a co-worker or to any person other than one of the individuals designated above.

On receipt of a complaint under the Code, we will investigate the complaint and will involve agencies and resources outside the Company if and/or when such outside involvement appears advisable or necessary. The report and investigation will be kept confidential to the extent consistent with the need for a thorough investigation and response and taking into consideration our disclosure obligations and requirements.

Consequences of a Violation

If it is determined that a Representative of ours has violated the Code, we will take appropriate action including, but not limited to, disciplinary action, up to and including termination of employment. We will take the necessary corrective action reasonably calculated to address and to correct the alleged violation.

We will not allow any retaliation against a Representative who acts in good faith in reporting any violation.

We are committed to maintaining an environment in which people feel free to report all suspected incidents of inaccurate financial reporting or fraud. No retaliatory action will be taken against any person who reports any conduct, which he or she reasonably believes, may violate the Code. In addition, no retaliatory action will be taken against any individual who in good faith assists or participates in an investigation, proceeding, or hearing relating to a complaint about our auditing or financial disclosures, or who files, causes to be filed, testifies, or otherwise assists in such a proceeding against us.

1.2 Choice of Law

The Plan is established under, and the provisions of the Plan are to be interpreted and construed in accordance with, the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

1.3 Headings

The headings used herein are for convenience only and are not to affect the interpretation of the Plan.

ARTICLE 2 PURPOSE AND PARTICIPATION

2.1 Purpose

The purpose of the Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified Directors, Employees and Consultants, to reward such of those Directors, Employees and Consultants as may be awarded Options under the Plan by the Board from time to time for their contributions toward the long-term goals of the Company and to enable and encourage such Directors, Employees and Consultants to acquire Shares as long-term investments.

2.2 Participation

The Board shall, from time to time, in its sole discretion determine those Directors, Employees, and Consultants, if any, to whom Options are to be awarded. If the Board elects to award an Option to a Director, the Board shall, in its sole discretion, but subject to paragraph 3.2, determine the number of Shares to be acquired on the exercise of such Option. A Director of the Company to whom an Option may be granted shall not participate in the decision of the Board to grant such Option. If the Board elects to award an Option to an Employee or Consultant, the number of Shares to be acquired on the exercise of such Option shall be determined by the Board in its sole discretion, and in so doing the Board may take into account the following criteria:

- (a) the remuneration paid to the Employee or Consultant as at the Award Date in relation to the total remuneration payable by the Company to all of its Employees and Consultants as at the Award Date;
- (b) the length of time that the Employee or Consultant has been employed or engaged by the Company;
- (c) the quality of work performed by the Employee or Consultant; and
- (d) any additional factors which it may deem proper and relevant.

A press release is required at the time of grant for Options granted to Option Holders who are insiders or who are Persons involved in Investor Relations Activities.

2.3 Notification of Award

Following the approval by the Board of the awarding of an Option, the Administrator shall notify the Option Holder in writing of the award and shall enclose with such notice the Option Certificate representing the Option so awarded.

2.4 Copy of Plan

Each Option Holder, concurrently with the notice of the award of the Option, shall be provided with a copy of the Plan, unless a copy has been previously provided to the Option Holder. A copy of any amendment to the Plan shall be promptly provided by the Administrator to each Option Holder.

2.5 Limitation

The Plan does not give any Option Holder that is a director the right to serve or continue to serve as a Director of the Company nor does it give any Option Holder that is an Employee or Consultant the right to be or to continue to be employed or engaged by the Company. Participation in the Plan by an Option Holder is voluntary.

ARTICLE 3 TERMS AND CONDITIONS OF OPTIONS

3.1 Board to Allot Shares

The Shares to be issued to Option Holders upon the exercise of Options shall be allotted and authorized for issuance by the Board prior to the exercise thereof.

3.2 Number of Shares

The maximum number of Shares issuable under the Plan, together with the number of Shares issuable under outstanding options granted otherwise than under the Plan, shall not exceed 10% of the issued and outstanding Shares of the Company. Additionally, the Company shall not grant Options:

- (a) to any one Person in any 12-month period which could, when exercised, result in the issuance of Shares exceeding five percent (5%) of the issued and outstanding Shares of the Company unless the Company has obtained the requisite Disinterested Shareholder Approval to the grant
- (b) to any one Consultant in any 12-month period which could, when exercised, result in the issuance of Shares exceeding 2% of the issued and outstanding Shares of the Company; or
- (c) in any 12-month period, to Persons employed or engaged by the Company to perform Investor Relations Activities which could, when exercised, result in the issuance of Shares exceeding, in aggregate, 2% of the issued and outstanding Shares of the Company.

If any Option expires or otherwise terminates for any reason without having been exercised in full, the number of Shares in respect of which Option expired or terminated shall again be available for the purposes of the Plan.

Options may not be granted unless and until the Options have been allocated to specific Persons, and then, once allocated, a minimum Exercise Price can be established.

3.3 Exercise Price

The Exercise Price shall be that price per share, as determined by the Board in its sole discretion as of the Award Date, at which an Option Holder may purchase a Share upon the exercise of an Option, and shall be set at a minimum of the closing price of the Company's Shares traded through the facilities of the Exchange on the day preceding the Award Date, or such other price as may be required by the Exchange. Any reduction in the exercise price of an Option held by an Option Holder who is an insider of the Company at the time of the proposed reduction will require Disinterested Shareholder Approval.

3.4 Term of Option

Subject to paragraph 3.5 and Article 4, the Expiry Date of an Option shall be the date so fixed by the Board at the time the particular Option is awarded, provided that such date shall not be later than the fifth anniversary of the Award Date of the Option.

3.5 Termination of Option

An Option Holder may, subject to any vesting provisions applicable to Options hereunder, exercise an Option in whole or in part at any time or from time to time during the Exercise Period provided that, with respect to the exercise of part of an Option, the Board may at any time and from time to time fix a minimum or maximum number of Shares in respect of which an Option Holder may exercise part of any Option held by such Option Holder. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void, and of no effect as of 5:00 p.m. local time in Vancouver, British Columbia, on the Expiry Date. Subject to Article 4, the Expiry Date of an Option shall be the earlier of the date so fixed by the Board at the time the Option is awarded, and the date established, if applicable, in sub-paragraphs (a) to (c) below (the “**Early Termination Date**”):

(a) Death

In the event that the Option Holder should die while he or she is still a Director (if he or she holds his or her Option as Director) or Employee or Consultant (if he or she holds his or her Option as Employee or Consultant), the Early Termination Date shall be twelve months from the date of death of the Option Holder;

(b) Ceasing to Hold Office

In the event that the Option Holder holds his or her Option as Director of the Company and such Option Holder ceases to be a Director of the Company other than by reason of death, the Early Termination Date of the Option shall be the 90th day following the date the Option Holder ceases to be a Director of the Company unless the Option Holder ceases to be a Director of the Company, but continues to be engaged by the Company as an Employee or a Consultant, in which case the Expiry Date shall remain unchanged, or unless the Option Holder ceases to be a Director of the Company as a result of:

- (i) ceasing to meet the qualifications set forth in the *Business Corporations Act* (British Columbia);
- (ii) a resolution having been passed by the shareholders of the Company pursuant to the *Business Corporations Act* (British Columbia) removing the Director as such; or
- (iii) by order of the British Columbia Registrar of Companies, British Columbia Securities Commission, the Exchange, or any other regulatory body having jurisdiction to so order,

in which case the Early Termination Date shall be the date the Option Holder ceases to be a Director of the Company;

(c) Ceasing to be an Employee or a Consultant

In the event that the Option Holder holds his or her Option as an Employee or Consultant of the Company and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death, the Early Termination Date of the Option shall be the 90th day following the date the Option Holder ceases to be an Employee or Consultant of the Company unless the Option Holder ceases to be an Employee or Consultant of the Company as a result of:

- (i) termination for cause or, in the case of a Consultant, breach of contract; or
- (ii) by order of the British Columbia Registrar of Companies, British Columbia Securities Commission, the Exchange, or any other regulatory body having jurisdiction to so order,

in which case the Early Termination Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

Any termination of an Employee's employment with the Company for any reason shall occur on the date the Employee ceases to perform services for the Company without regard to any period of notice or where the Employee continues thereafter to receive any compensatory payments therefrom or is paid salary thereby in lieu of notice of termination of employment.

Notwithstanding the foregoing, the Early Termination Date for Options granted to any Option Holder engaged primarily to provide Investor Relations Activities shall be the 30th day following the date that the Option Holder ceases to be employed in such capacity, unless the Option Holder continues to be engaged by the Company as an Employee or Director, in which case the Early Termination Date shall be determined as set forth above.

3.6 Blackout Period

The Company may from time to time impose trading blackouts during which Directors, Consultants or Employees may not trade in the securities of the Company. If a trading blackout is imposed, subject to the terms of the blackout and the Company's blackout policy, Option Holders may not exercise Options until expiry of the blackout period.

As a result of the foregoing limitation, the term of any Option that would otherwise expire during a blackout period will be extended by 10 business days following the expiry of such blackout period, provided that the following requirements are satisfied:

- (a) the blackout period must be formally imposed by the Company pursuant to its internal trading policies. For greater certainty, in the absence of the Company formally imposing a blackout period, the expiry date of any Options will not be automatically extended in any circumstances;
- (b) the blackout period must expire upon the general disclosure of the undisclosed Material Information; and
- (c) the automatic extension of an Option Holder's Options will not be permitted where the Optionee or the Company is subject to a cease trade order (or similar order under securities laws) in respect of the Company's securities.

3.7 Hold Period and Vesting Requirements

The Company may grant Options without an Exchange hold period provided that the Option is not granted to an insider or promoter of the Company and provided that the Exercise Price of an Option is based on the Market Price and not at a discount to the Market Price.

All Options granted pursuant to the Plan will be subject to such vesting requirements as may be imposed by the Board. The Option Certificate representing any such Option will disclose any vesting conditions. Notwithstanding the foregoing, Options issued to Consultants performing Investor Relations Activities will vest in stages over at least 12 months with no more than 1/4 of the Options vesting in any three-month period.

3.8 Assignment of Options

Options may not be assigned or transferred, provided however that the Personal Representative of an Option Holder may, to the extent permitted by paragraph 5.1, exercise the Option within the Exercise Period.

3.9 Adjustments

If, prior to the complete exercise of any Option, the Shares are consolidated, subdivided, converted, exchanged, or reclassified or in any way substituted for (collectively the “**Event**”) other shares of the Company, an Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of any Option and accordingly, if as a result of the Event, an Option Holder would become entitled to a fractional Share, such Option Holder shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 500 Shares shall be issued upon the exercise of the Option unless such amount of Shares represents the balance left to be exercised under the Option.

3.10 Exclusion from Severance Allowance, Retirement Allowance or Termination Settlement

If an Option Holder retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Certificate with respect to the right to purchase Shares which were not vested at the time or which, if vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Option Holder.

ARTICLE 4 CHANGE OF CONTROL

4.1 Change of Control Event

If at any time when an Option granted under this Plan remains unexercised with respect to any Shares and:

- (a) a Person makes an offer to acquire Shares that, regardless of whether the acquisition is completed, would make the Person an Acquiring Person;
- (b) an Acquiring Person makes an offer, regardless of whether the acquisition is completed, to acquire Shares;

- (c) the Company proposes to sell all or substantially all of its assets and undertakings;
- (d) the Company proposes to merge, amalgamate, or be absorbed by or into any other corporation (save and except for a Subsidiary) under any circumstances which involve or may involve or require the liquidation of the Company, a distribution of its assets among its shareholders, or the termination of the corporate existence of the Company;
- (e) the Company proposes an arrangement as a result of which a majority of the outstanding Shares of the Company would be acquired by a third party; or
- (f) any other form of transaction is proposed which the majority of the Board determines is reasonably likely to have similar effect as any of the foregoing

(each a “**Change of Control Event**”), then, in connection with of any of the foregoing Change of Control Events, the vesting of all Options and the time for the fulfilment of any conditions or restrictions on such vesting shall be accelerated to a date or time immediately prior to the Effective Time of the Change of Control Event, subject to any required approval of the Exchange, and the Board, in its sole discretion, may authorize and implement any one or more of the following additional courses of action:

- (i) terminating without any payment or other consideration, any Options not exercised or surrendered by the Effective Time of the Change of Control Event;
- (ii) causing the Company to offer to acquire from each Option Holder his or her Options for a cash payment equal to the In the Money Amount, and any Options not so surrendered or exercised by the Effective Time of the Change of Control Event will be deemed to have expired; and
- (iii) exchanging an Option granted under this Plan for an option to acquire, for the same exercise price, that number and type of securities as would be distributed to the Option Holder in respect of the Shares issued to the Option Holder had he or she exercised the Option prior to the Effective Time of the Change of Control Event, provided that any such replacement option must provide that it survives for a period of not less than one year from the Effective Time of the Change of Control Event, regardless of the continuing directorship, officership, or employment of the holder.

4.2 Board Discretion

For greater certainty, and notwithstanding anything else to the contrary contained in this Plan, the Board shall have the power, in its sole discretion, in any Change of Control Event which may or has occurred, to make such arrangements as it shall deem appropriate for the exercise of outstanding Options including, without limitation, to modify the terms of this Plan and/or the Options as contemplated above, subject to any required approval of the Exchange. If the Board exercises such power, the Options shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Option Holder at any time or from time to time as determined by the Board prior to or in conjunction with completion of the Change of Control Event.

ARTICLE 5 EXERCISE OF OPTION

5.1 Exercise of Option

An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder. An Option Holder or the Personal Representative of any Option Holder may exercise an Option in whole or in part at any time or from time to time during the Exercise Period up to 5:00 p.m. local time in Vancouver, British Columbia on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Certificate, and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option.

5.2 Issue of Share Certificates

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares purchased pursuant to the exercise of the Option. If the number of Shares purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall forward a new Option Certificate to the Option Holder concurrently with delivery of the aforesaid share certificate for the balance of Shares available under the Option.

5.3 Condition of Issue

The issue of Shares by the Company pursuant to the exercise of an Option is subject to this Plan and compliance with the laws, rules, and regulations of all regulatory bodies applicable to the issuance and distribution of such Shares and to the listing requirements of the Exchange or any stock exchange on which the Shares may be listed. The Option Holder agrees to comply with all such laws, rules, and regulations and agrees to furnish to the Company any information, report and/or undertakings required to comply with and to fully co-operate with the Company in complying with such laws, rules, and regulations.

ARTICLE 6 ADMINISTRATION

6.1 Administration

The Plan shall be administered by the Administrator on the instructions of the Board. The Board may make, amend, and repeal at any time and from time to time such regulations not inconsistent with the Plan as it may deem necessary or advisable for the proper administration and operation of the Plan and such regulations shall form part of the Plan. The Board may delegate to the Administrator or any Director or Employee of the Company such administrative duties and powers as it may see fit.

6.2 Interpretation

The interpretation by the Board of any of the provisions of the Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by any Option Holder. No member of the Board or any Person acting pursuant to authority delegated by it hereunder shall be liable for any action or determination in connection with the Plan made or taken in good faith and each member of the Board and each such Person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

6.3 Withholding

The Company may withhold from any amount payable to an Option Holder, either under this Plan or otherwise, such amount as may be necessary to enable the Company to comply with the applicable requirements of any federal, provincial, state, or local law, or any administrative policy of any applicable tax authority, relating to the withholding of tax or any other required deductions with respect to grants hereunder (the “**Withholding Obligations**”). The Company shall also have the right in its discretion to satisfy any liability for any Withholding Obligations by selling, or causing a broker to sell, on behalf of any Option Holder such number of Shares issued to the Option Holder sufficient to fund the Withholding Obligations (after deducting commissions payable to the broker) or retaining any amount payable which would otherwise be delivered, provided, or paid to the Option Holder hereunder.

The Company may require an Option Holder, as a condition to exercise of an Option, to make such arrangements as the Company may require so that the Company can satisfy applicable Withholding Obligations with respect to such exercise, including, without limitation, requiring the Option Holder to: (i) remit the amount of any such Withholding Obligations to the Company in advance; (ii) reimburse the Company for any such Withholding Obligations; (iii) authorize the Company to sell, on behalf of the Option Holder, all of the Shares issuable upon exercise of such Options or such number of Shares as is required to satisfy the Withholding Obligations and to retain such portion of the net proceeds (after payment of applicable commissions and expenses) from such sale the amount required to satisfy any such Withholding Obligations; or (iv) cause a broker who sells Shares acquired by the Option Holder under the Plan on behalf of the Option Holder to withhold from the proceeds realized from such sale the amount required to satisfy any such Withholding Obligations and to remit such amount directly to the Company. The Company undertakes to remit any such amount to the applicable taxation or regulatory authority on account of such Withholding Obligations.

Any Shares of an Option Holder that are sold by the Company, or by a broker engaged by the Company (the “**Broker**”), to fund Withholding Obligations will be sold as soon as practicable in transactions effected on the Exchange or such other stock exchange where the majority of the trading volume and value of the Shares occurs. In effecting the sale of any such Shares, the Company or the Broker will exercise its sole judgement as to the timing and manner of sale and will not be obligated to seek or obtain a minimum price. Neither the Company nor the Broker will be liable for any loss arising out of any sale of such Shares including any loss relating to the manner or timing of such sales, the prices at which the Shares are sold or otherwise. In addition, neither the Company nor the Broker will be liable for any loss arising from a delay in transferring any Shares to an Option Holder. The sale price of Shares sold on behalf of Option Holders will fluctuate with the market price of the Company’s shares and no assurance can be given that any particular price will be received upon any such sale.

ARTICLE 7 AMENDMENT AND TERMINATION

7.1 Prospective Amendment

Subject to applicable regulatory and, if required by any relevant law, rule or regulation applicable to the Plan, to shareholder approval, the Board may from time to time amend the Plan and the terms and conditions of any Option thereafter to be granted and, without limiting the generality of the foregoing, may make such amendment for the purpose of meeting any changes in any relevant law, rule or regulation applicable to the Plan, any Option or the Shares or for any other purpose which may be permitted by all relevant laws, rules, and regulations, provided always that any such amendment shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to such amendment. Notwithstanding the foregoing, the Board may,

subject to the requirements of the Exchange, amend the terms upon which each Option shall become vested with respect to Shares without further approval of the Exchange, other regulatory bodies having authority over the Company, the Plan, or the shareholders.

7.2 Retrospective Amendment

Subject to applicable regulatory and, if required by any relevant law, rule, or regulation applicable to the Plan, to shareholder approval, the Board may from time to time retrospectively amend the Plan and, with the consent of the affected Option Holders, retrospectively amend the terms and conditions of any Options which have been previously granted. For greater certainty, the policies of the Exchange currently require that disinterested shareholder approval be obtained for any reduction in the Exercise Price of any Option held by an insider of the Company.

7.3 Termination

The Board may terminate the Plan at any time provided that such termination shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to the date of such termination. Notwithstanding the termination of the Plan, the Company, Options awarded under the Plan, Option Holders and Shares issuable under Options awarded under the Plan shall continue to be governed by the provisions of the Plan.

7.4 Agreement

The Company and every Person to whom an Option is awarded hereunder shall be bound by and subject to the terms and conditions of the Plan.

7.5 No Shareholder Rights

The Company shall maintain a register in which shall be recorded the name and address of each Option Holder, the number of Options granted to an Option Holder, the details thereof and the number of Options outstanding.
